

Remarks

Reconsideration of this Application is respectfully requested.

Upon entry of the foregoing amendment, claims 35, 36, 42 and 45-47 are pending in the application, with 35 and 42 being the independent claims. Claims 35 and 42 are sought to be amended. The Examiner has alleged that the current application fails to comply with the requirements of 37 C.F.R. §§ 1.821 through 1.825. Claims 35 and 42 have been amended to include a sequence identifier to comply with 37 C.F.R. § 1.821(d). Applicants have also amended the specification to direct the entry of the Substitute Sequence Listing, appended hereto, and to insert sequence identifiers where appropriate. These changes are believed to introduce no new matter, and their entry is respectfully requested.

Applicants also submit herewith both paper and computer readable copies of a Substitute Sequence Listing to include the sequence KDYY in the sequence listing. Support for this amendment is found, *inter alia*, at page 120, line 10 of the specification.

In accordance with 37 C.F.R. § 1.825(a), these submissions include no new matter. In accordance with 37 C.F.R. § 1.825(b), the paper copy of the Substitute Sequence Listing and the computer readable copy of the Substitute Sequence Listing submitted herewith are the same.

Based on the above amendment, Applicants respectfully request that the Examiner reconsider all outstanding objections and rejections and that they be withdrawn.

Conclusion

All of the stated grounds of objection and rejection have been properly traversed, accommodated, or rendered moot. Applicants therefore respectfully request that the Examiner reconsider all presently outstanding objections and rejections and that they be withdrawn. Applicants believe that a full and complete reply has been made to the outstanding Office Action and, as such, the present application is in condition for allowance. If the Examiner believes, for any reason, that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at the number provided.

Prompt and favorable consideration of this Amendment and Reply is respectfully requested.

Respectfully submitted,
